**WINEMAKER'S NOTES:** This wine has a delicate nose with abundant fresh fruit layered deep into it's structure. Melons, pears, green apples and hints of tropical fruit are present. The color is a light to a medium straw color. This uncomplicated semi sweet wine is easy to drink, with a pleasing acid / fruit balance offering an explosion of fruit as the wine washes over the pallet. The pallet is fruit forward and full bodied leading to a long finish. This wine chilled is a hit on a summers day by itself or enjoy with poultry, salad, cheeses or your favorite pork dish.
